COLLECTION OF TEXTURES

Collection of Textures vol. 2

In our new database of textures you will find over 100 extremely colorful textures of ceramic tiles, including retro tiles in shades of grass green and fiery red, intense canary yellow or turquoise, and fabulously colored glass mosaics.

There are also 8 tasteful patterns of **bricks**, several textures of **foods**, more than 30 **furs** in fancy colours, four shades of **human skin**, 20 **leather upholsteries**, 8 patterns of colored **roof-tiles**, 5 **stone linings** and 37 textures of **walls**. Among other textures you will find grass, cracked earth and irregular patterns to be used on small pebbles.

To this rich palette must be added about 120 psychedelic, mesmerizing **textile coverings** as well as nearly 200 unique textures of **woods**, in unusual dyeing and imaginative designs.

In total we offer you **600 new, inspirational materials** to finish your designs!
