## **Universal Kitchen Furniture Database 2023**

In front of you is a compilation of all the new components, with which you can design a kitchen in any style and with attention to every detail. This database contains more than 2,300 components, including: cabinets, fronts, handles, as well as an expanded palette of NCS, RAL colours and textures. Such a diverse selection will allow you to set sail on the wide waters of your own creativity and find your unique design style.

See what we have prepared especially for you!
