

Texture database

TextureLib.com COLLECTION

TextureLib.com Collection

contains almost 1400 intriguing textures of great quality, organized in 23 categories! It will satisfy both nature lovers and enthusiasts of industrial aesthetics. In the **nature** catalogue you will find homey landscapes of forests and meadows, as well as photos of leaves, moss, bark and... tropical beach! And images from folders named **grunge**, **rust** and **debris** will allow you to introduce an atmosphere of raw naturalism into your projects.

Categories **metal**, **paper** and **plastic** provide materials created by human hands. And when you want to present natural substances, use pictures from **rock**, **grass**, **water** and **fur** folders.

The database contains also multiple photos of **soil**, **roads**, **ground** and **pavements**, as well as original images of **concrete**, **plaster**, **tiles** and **bricks**.

For your disposal are also various **woods**, a church **facade**, images of **roofs** and interesting photographs of **doors**.

We wish you pleasant and creative work with textures in our programs!
